

Envelope Barcoding

OFFERING ENVELOPE SERVICES FROM AMERICANCHURCH, INC.

An envelope barcode can be added to the offering envelopes to decrease the amount of time required to record contributions. You simply scan the envelope number barcode to pull up church members' names and scan the dollar amount on the laminated sheet provided.

Get started today!

To learn more about envelope barcoding and other offering envelope services benefits, call us at 800-446-3035 or visit online at americanchurch.com/offeringenvelopes

Easy to use and convenient for your records.

1 Ask your customer service representative to add bar codes to your envelopes. This can be done by simply calling

customer service at

800-446-3035. We will provide you with a laminated sheet of bar code amounts similar to what is pictured to the left. In addition we will also print a bar code of the envelope number onto your offering envelopes - at NO additional cost!

2 Purchase barcode equipment for your church. You may find barcode equipment at most office supply stores.

3 Start scanning!
