

**Dear Valued Partner,**

Summer sunshine offers us time and opportunities for spiritual building. That is why we have been hard at work to help support you. We have developed the enclosed marketing kit as a gift to your church in order to help you promote your Online Giving program. These materials will help your church sustain and improve your offertory both while your members are away and as they gather in worship.

This kit includes posters to hang throughout your church campus to educate and inform members of your Online Giving solution. Along with posters, you will also receive pew cards to distribute as you please.

You can also find additional resources like social media graphics, letters, and sample bulletin inserts by visiting your OSV Hub Customer Portal at [osvhub.com](http://osvhub.com). We are here to support you and help you fulfill your mission. We thank you and look forward to witnessing the amazing things your church has in store for the future!
